

# Bicycle Blue Blood

**Name: Sky Yaeger**

**Occupation:** VP Product Development  
Bianchi USA

**Industry Experience:** 32 years – Starting in a bike shop in Wisconsin

**Years using Park Tools:** Started with a repair stand and truing stand in the 70's

**Secret to Success:** “Regular, not decaf – Beer, not wine – Wool, not synthetic – Torque, not horsepower – hard work, luck, and the proper tools.”

**About Park Tools:** “Truly a unique American company. Their products are beautiful to look at and functionally precise to use.”

**Sky Yaeger is one of the most influential bicycle designers in the world and an avid fan of Park Tool.**

**Park Tool™**

**In the world of cycling, you build your own pedigree.**
