

TSB-2 Tilting Truing Stand Base

Park Tool Co. 5115 Hadley Ave. N., St. Paul, MN 55128 (USA) www.parktool.com

The TSB-2 Tilting Truing Stand Base is designed specifically to fit the TS-2 and TS-2.2 Professional Wheel Truing Stands. It allows the truing stand to be tilted forward or backward 20 degrees for comfortable use at any bench height. The handy bins at the front of the TSB-2 are designed to hold Park Tool Spoke Wrenches and other small items, such as spoke nipples.
